DETAILED ACTION

1. This office action is in response to the amendment filed on October 14, 2005, in which claims 1-32 are presented for further examination.

Allowable Subject Matter

2. Claims 1-32 are allowable in light of the Applicant's arguments and in light of the prior art made of record.

Reasons for Indicating Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance: Upon searching a variety of databases, the examiner respectfully submits that “means for creating maintaining a read-only snapshot copies of the production file system, each of the read-only snapshot copies of the production file system being based on a respective one of the read-only snapshot copies of the production file system” in conjunction with all other limitations of the dependent and independent claims are not taught nor suggested by the prior art of record (PTO-892 and 1449). Therefore, all pending claims 1-32 is hereby allowed.

Since allowable subject matter has been indicated, applicant is encouraged to submit formal drawings in response to this Office action, *if only if the formal drawings have not yet been submitted to the office*. The early submission of formal drawings will permit the Office to review the drawings for acceptability and to resolve any informalities remaining therein before the application is passed to issue. This will avoid possible delays in the issue process.

Any comments considered necessary by applicant must be submitted no later than the
